The Website committee wishes to thank the fellowship for allowing us to serve you during this past year.

Website is running at 100% with no problems reported in the past few weeks.

End of term recap:

- In July of 2021, Joe C was elected to the position of Web Site Chairman. At the time the committee was comprised of Bryan S, Rob N, and Melissa S
- The website committee chose the following goals/accomplishments:
 - Update website to make it more relevant to the fellowship: We developed a bulletin board to address meeting updates, new meetings, and meetings that needed support. Since development, the bulletin board has expanded its reach to cover a large variety of issues, concerns, and current events.
 - Gain command and control of the website: We contacted the current web administrator and began the process of taking control of the web site and its intellectual property.
 - <u>Develop a Facebook page</u>: Bryan S and Samantha S developed and launched a Susquehanna Area Facebook page
 - **Expand the committee:** We reached out to the fellowship requesting their assistance in updating the website.
 - **Create workgroups to address design, platform, and social media policy:** Workgroups were created with Bryan S, Tom G, and Samantha S as workgroup managers.

- **<u>Platform (Tom G)</u>**: Selected and contracted with Blue Host. This committee completed its task and has been discontinued.
- **Design (Bryan S):** We have been unsuccessful in wrestling our intellectual property from the website administrator. As a direct result, we have begun the process of building a new website from scratch.
- **Website Policy:** We updated the website policy.
- **Social Media Policy (Sam S):** We developed and received approval from the fellowship for our first ever area social media policy.
- **Website Visitation**: We have improved average daily visitation by 300%.

Check Bulletin Board: GSR's, Subcommittee Chairs, and members of this fellowship should check the website bulletin board regularly so that they can be informed of relevant, real time Susquehanna Area updated news and events. Additionally, we encourage GSR's and Subcommittee Chairs to use the contact form on the website to report group and subcommittee updates for posting on the bulletin board.

To better carry the message of recovery to the addict who still suffers, we are entertaining suggestions from the fellowship for ways that the website and social media pages can better serve our primary mission. If you have any ideas or suggestions, please feel free to contact us through our website (susqna.org) contacts form. Be sure to leave a contact number and a detailed message so that we can reach you with any questions we might have about your suggestions.

Please use the anniversary update link (on the website) as well as the anniversary update sheets that are circulating around the room to list anniversaries.

If you find a link on the website that is not working, you can use the "Contact Us" link under "Contact" on susqna.org or contact me directly at 443-208-4206. Please leave a detailed message and a call back number or email address.

Open H&I commitments updated monthly found on the H&I web page. GSR's encouraged to visit the website to get up to date information to report to their groups.

As always, we invite all fellowship members to participate on the website committee. The website committee meets the 4th Tuesday monthly at 7:30 pm via Zoom. (Meeting ID: 894-2913-4297, PW: 7101239)
