Region met during off-month September 9th, 2023

I attended virtually, and we continue to need trusted servants to participate at the regional level. As it was "off-month" no business was conducted. However, discussions around policy regarding subcommittee chairs and participation at regional service.

Topics included:

ASC Minutes September 14, 2023

- Accountability- How do we hold members accountable in service and participating in and at service meetings? Who, or what is responsible if members do not attend subcommittee meetings at Region, and it is suggested to do so?
- Participation- How could we increase participation in subcommittee meetings?
- Regional meetings should be attended by all Area subcommittee chairs, what happens if they don't?
- Policy versus Service- how do we dictate or mandate service?

Due to off-month: No reports from Free state Convention Board or the Service Center.
RD Report:

There are multiple surveys currently looking for input:

- The H&I manual is going to be updated and a new "H&I Basics" survey is open to assist in that process.
- Issue discussion topics "Gender neutral" and "Inclusive Language."
- "Dealing with Disruptive and Predatory Behaviour."
- The NA office in California continues to have job openings,
- The process for signing up to volunteer at the 2024 NA World Convention in Washington

D.C. will be live and a great way to be of service if you were planning to attend.

ILS,
Rob N

Policy: Bryan S reporting.

We have not been having regular meetings as Policy is currently a committee of one. If you are interested in getting involved, please see me after the meeting.

All current policies have been sent to Website so they can be posted.

Special Events policy was updated per the motions that passed in 2019. (See attached)

As a reminder, subcommittees should schedule time to review their policies to see if any updates / changes need to be made.

Last month the topic of an Alternate Secretary came up and I believe was tabled. Here is some information for your discussion:

1. Policy is a living document and can be changed by way of a motion.
2. Current policy has the Vice Chair assuming the role of secretary in "his/her absence". (Vice Chairs responsibilities are attached)
3. A new position can be made by way of a motion. For example – this body created the mentor position.

ASC Minutes September 14, 2023

4. The Area Chair can create and appoint a chair for an ad-hoc committee related to the Alternate Secretary.

ILS,
Bryan S

Motion to approve last month's minutes: August minutes were incomplete, therefore could not be approved.

Sharing Session:

Mindy received email from representative of Freebirds group and shared as follows:

Hello,

My hg voted too close due to areas lack of assistance for multiple years, I had conversations with multiple people over the years, each one assuring me we would be placed on meeting list , never happened, after I gave up my hg members Jennifer T, Shauna m. As well as salena g. Tried handling situation and nothing changed. I will be reopening meeting in the small wonder area where I know we will get assistance and unity . It's sad when you have amazing group of women with long term recovery and not one person in area followed through with promises. Please take me off mailing list. Ty for your time.

Christy ferguson free birds

Peggy advised that she assisted Pete with reaching out to groups, and indicated that Pete may have that information.

Steve asked about the Special Events financial information from last month's minutes. Bryan clarified that since the minutes are incomplete, we are unable to discuss/reference information in the minutes. He also indicated that Special Events Chair is absent too to clarify.

Bryan also discussed the timeliness of the minutes, and indicated that policy outlines the mode and timeframe for minutes. Mindy indicated that the policy that Bryan included in his report indicate that copies of the previous month's minutes would be provided at area meeting. (Policy attached to Policy report states, "Secretary will make minutes available at next ASC meeting")

Old Business:

Discussion about alternate secretary position. Bryan indicated that current policy for executive positions indicates that the Vice Chair would fill in for secretary if not available. Creating a new position of alternate secretary would require updating the policy. Motion that was made is not available for review. Mindy advised that paper subcommittee reports and motions were not returned to her prior to meeting.

New Business:

JJ – other than special events, are there any other subcommittees that are able to accept donations.

ASC Minutes September 14, 2023

Bryan indicated that SE is the only with a bank account, but home groups can choose to donate literature to H&I.

Steve asked about process of giving money to treasurer and not directly to special events. Mindy indicated that this was part of the discussion to create a paper trail. Bryan further clarified that this is not policy, but something that was discussed after reviewing the fund flow sheet.
