Report: All drops made. The PR chair of the region brought to us the billboard and poster board and the locations will be West side and Northeast. It will be up for four weeks. That is what is being brought up. The second option would be if they didn't like 1 would be 4 poster boards and it would run for 8 weeks. There are home groups struggling Spiritual Journey, Walk the Walk and the third one is Back to Life. Also I am thinking about getting a group together for our reach. More people would help out a lot then 2 people.

Questions/Discussions:

Home Groups that need help:

Spiritual Journey

Walk the Walk

Back to Life

We See the Light

Dylan: Questions about billboards. Are you saying they're gonna run a billboard or a poster board?

Heather: \$5500 for both.

Dylan: That's a lot more than \$1500.00.

Heather: They run for four weeks.

Dylan: I think the budget is \$3000

Heather: It's about that, \$3800. When we go to Region, hopefully they'll vote on it.

Dylan: What is the difference between a billboard and a poster board?

Billboards are 10x22 feet

ASC Minutes February 12, 2026

Poster boards are 10x5 feet

They will be posted in Westside and NorthEast.

RCM will vote on this. The RCM report will let us know what is happening.

New Business:

Jeff: I want to see if it's possible for the phone line's 200 budget to go to our area subcommittees.

Pros:

1. More informed about the roles of each subcommittee
2. Unity

Cons: None

Heather: When I was phone line chair, we put a motion in for a learning day and we got money for it. For some reason the money was assigned to phone line permanently, I think it's best to move it back to the area

Dylan: What we need to do is change the phone line policy and the area policy. We just need to move the money. Melissa, do you have it in policy?

Melissa: It was in our area policy. I don't know where it went. I think it's wise to make a motion to put that in there.

Dylan: Can you make that happen?

Melissa:... or you can! (Melissa gets paper)

Is that what we wanna do, have the area funded?

Billy: Are we allowed to just remove the assignment specifically for phone line?

Melissa: Do we want to put a 200 dollar amount on it? Is that enough?

Jeff: This is what we need it for: We can't pay the VA so we're gonna donate basic texts. We're still paying 15 dollars for a basic text. If we're able to continue at Perry Point, I think 200 should be good.

Melissa: That's 144 dollars for Basic Texts. That's gonna leave not much for food.

Sylvia: We're rewriting policies for learning days for this year and following years. Can't we just write it for this year and see how it goes?

Melissa: ...but if we don't put it in policy it won't ever happen.

Edward: Phone line can put 200 towards it and others can freeloader off of them and get to the same place.

Jeff: Phone lines not here and that's the problem.

Melissa: What do you want me to write?

Jeff: I think 250 will be good.

Melissa: For subcommittees to host a learning day, it's up to \$250.. can host or will host?

Dylan: can

Melissa: ...and that's funded by the aoc

Melissa: Somebody's gotta second this.

Dylan: Second

Sylvia:...and why are Learning Days not under special events?

Coale: Because we don't got no money and we don't have the bandwidth to do it ourselves.
