**Regional Delegate Report to The FreeState Region  
3/15/2026**

**Greetings,**

Your Delegate team has been very busy with trying to get a pulse on how the region would like us to vote on the motions in the CAR, CAT and have everyone/group's essay(s) or simple paragraph on how you or your group feels on the 4 Issue discussion topics. As we mentioned several times, this will not be a motion driven conference. It will be more discussion based. The premise of the discussions will be perpetuated by your participation in the surveys and what information you would like your delegate team to discuss during the discussions on the IDT's. We need your input. So far one group out of close to 500 in our region has sent in their tally sheet. I am not reporting that to wag our fingers. We would like to have this information (tally sheets, literature priorities and input for the discussions by the beginning of next month. Your team has a straw poll vote in the middle of April. We would like to set the deadline, to have everything in to us by April 14<sup>th</sup>. If the straw poll votes carry with consensus in April, then the vote will be delt with and carried. We might not have CAR motions at the WSC. This was decided at the interim WSC. So, your input for the discussion is very important. As far as the surveys go you are tasked to do that directly with NAWS. The surveys are at [na.org/survey](http://na.org/survey).

Since last month we have had an area CAR workshop and I am aware that some groups are having their own workshops. We are looking forward to getting your results in. Please email them to me or Michelle and we will tabulate the results. My email is [r.kirzner@verizon.net](mailto:r.kirzner@verizon.net) and I am sure you can get Michelle's from her.

Michelle and I have already sent our region's report into NAWS for the conference. I will attach a copy.

Currently I am on vacation hence the absence. I know that there is going to be some discussion regarding motion making ability for some of our trusted servants. This would be very helpful aid in carrying our conscience to the WSC and everyone to make sure they have a voice. Over the next conference cycle there will have to be some way for the future delegate team to expedite the information flow through all levels. I did learn a lot by attending some of the other area meetings.

If you have any input, questions or concerns please call us. My # is below and I am returning to the area March 23<sup>rd</sup>.

## Questions/Discussions:

Ellen is concerned about poor communication because of lack of response to Carr Report.

Carr Report can be submitted personally through the website.

Ellen is not a fan of "Option 4"...just her personal opinion. Concerned about losing the Service Center if we give it up.

Steve: Before COVID, there was an out of area travel meeting every other month. What don't you like about that?

Option 4 doesn't have an Off Month. Limits discussion/prevents consideration. Likes the community and facility at the Service Center.

Ellen likes IN PERSON meetings...hybrid doesn't promote community.

If Option 4 passes, no other Option will be considered.

Report:

An updated version of Policy should be up on the website very soon if it is not already. All recent motions have been entered into Policy.

The next step is to add the duties to the Policy Guidelines that we voted to remove from ASC secretary responsibilities.

There is one motion that removes the Learning Day responsibility from Phonline guidelines and places the financial burden onto the ASC. The Policy Subcommittee requests collaboration with Phonline. We have a "working copy" of SUSQ Phonline Guidelines that appears to have never been completed or finalized.

In Loving Service,

Melissa S, Policy Chair
